Change and diversity are the meaning of our world:
The American dimension.
It is because the season changes,
the weather changes,
the country changes
that the map goes on and on.

Real isn't how you are made, it's a thing that happens to you — Does it hurt? — Sometimes, but when you're real you don't mind. It takes a long time, by the time you are real, you are very shabby, but this doesn't matter, because once you are real you can't be ugly except to people who don't understand

MARY ATHEY JENNINGS ON DECISION MAKING

"One hundred high school teachers leave the cluttered classroom knowing the decision they made here today will become school policy tomorrow. Administrators will not alter it, students will not protest it, and unions will not grieve. Why? Because each of these groups were part of the decision-making process prior to this final faculty meeting."

"First, this process creates a feeling of unity and community in the school that cannot be equaled by the most charismatic leader making near perfect, unilateral decisions. A camaraderie begins to develop when people lay their opinions out on the table and then care enough to battle over them."

'Another reward from the process lies in the quality of the decision made. Many points of view are considered for each decision and with it comes nore data than might be collected if you operated in isolation. This extra mount of information, coupled with the extra time usually allotted to articipatory decisions, helps to assure that decisions are well thought-out. ssues never die in this participatory process. Change can grow slowly rom within, instead of being imposed from above or outside."

The 1987 Brookline Boys Varsity Soccer team rocked. For only the second time in the history of Brookline Soccer we won the Suburban League Title. Many people were involved in our season and we give them our thanks. Above all though, the players deserve a lot of credit for the success of this team. Overcoming adversities enough to stifle the most unified of teams was what made this group the champions they were. In retrospect:
The fields were rocky,
The players cocky.
Quite an amazing season,
For a team lacking cohesion.
But out on the field,
The opponents would yield
Time after time
To the shots of Brookline.
All hail to the spotrock,

The Team of '87

To the guys,

The 1987 Brookline High Golf Team was among the most promising golf teams ever assembled by coach Ron Divincenzo. But, throughout the year we were faced with some tough setbacks. For the half of the season Phil, one of the captains, was out with mono, but he returned to go undefeated. For the second half of the season, Doug Murphy, the other captain, who also had a winning season, was out with a broken wrist. However, with the efforts of Gerard, Steven, who placed fourth in the suburbans, Ben, McCarthy, Aaron, Mike, and Sudsy. We made our coach proud by qualifying as a team for the state tournament.

With most of the guys returning next year I have high hopes for a Suburban League Championship. Good luck next year!

Thanks,
Philip Gordon

Yes, We are Girl's Soccer 1987
Though our record was not quite what we wanted
Our spirit was undaunted,
Nicole as our stopper, her shorts down to her ankles,
And Jessica trying to get up our hackles.
Nancy leading the pack with her large mouth,
Janet and her saves, clears the ball South.
Jenny's headers went up, up and away,
Leah's slide kicks would never sway.
We know that giggle, yes indeed it's Allison,
Debbie's the one who made it all fun.
With Tina on her long legs,
And Diana complaining "It smells like eggs".
Again Jenny jumping high overhead,
"Does anyone have a rubber band?" is all Julie said.
As we cried Stephanie "Shoot, Shoot, Shoot!"
Meg gave the biggest hoot.
As usual Jack yelled "Shannon run!",
Muttering under his breath "They all weigh a ton
Let's never forget: Candy corn; 5 v 2; Trip to Peabody; Bo Shing Noodles; "Introduce yoursel
. . . right on, right on . . . "
Good Luck in the years to come . . . Love Penelope and Sarah

As we reflect back on the early stages of ou season we distinctly remember the hard wor and desire each player contributed to form great team. We knew the road to succes wouldn't come easily, but the way we played our first three games we were sure that we were the team to beat. We then hit a loosing slump of only winning one of the next six games.

The final showdown for all the seniors has come. Turkey day, the game we will remember forever, and play by play it became a part of history.

Although our record (2-4) may not show it, I think this season was the most productive one in the history of the team. With only two seniors graduating I'm confident Brookline will avenge its two point losses to Brockton and Cambridge and give Waltham a good scare. Meg will continue to dominate the League and Amanda will earn All-Star that she's been eyeing.

And now a word from the wise:

Meg — Did you ever learn the definition of "nice and easy"?

Amanda — O.K.A. The White Wonder: Calm down, drink some water and don't get lost!

Laura — I hope our weird sense of humor didn't scare you that much, we're really quite normal . . . honest!

Jameela — Thanks for all those pep-talks last fall and for sticking with us.

THE FRESHMEN: You guys never ceased to amuse me. I'll never forget, you're endless

Caitlin — amounts of energy both in the locker room and on the course.

Nancy — You brought both spirit and talent to the team.

Lis —

Karen — GET HEALTHY!!!!!!

Ms. Toney — I predict a winning season in your near future.

Thanks Everyone

The 1987-88 Girls Winter Track Team start
off on a rather confusing note. We didn't ha
a coach, there were only seven returning te
members, and miscommunication duri
stretching drills lead some members to b
come upset.

However, things soon got better. Coach P
sons returned, and along with assistant Coa
Gail Riley, devised stiff workouts to get us
shape. To combat injury and exhaustion the
were ever present bags of ice, and of cour
the mats. Sharing The Pavilion with the Bo
Team was crowded, but some of us didn
seem to mind it too much. (Anne, Caitl
Astrid)

Although our final record was 1-5, it is no
fair indication of our strength. Sterling p
formances by Emily, Anne, Sara, Korin,
well as the talented underclassmen kept all t
meets exciting. Some of highlights inclu
Allie's courageous finish against Newto
our Relays victory over Brockton, and Sar
setting the high school's record for the 10

BOYS' TRACK

Ft Row: Chris Lewis, Stuart Katz, Jesse Nichols, Phil Moy (Captain) Andrew Gordon (Captain), Ben Crawford (Captain), Diel Akiba, Peter Steele, Brett Berenson. Second Row: Vladimir Gankin, John Ta, Paul Sacks, Matt Revis, Luther Pkney, Steven Kramer, Daniel Becker, Peter Wilson, Eli Weissman, Jason Flately. Third Row: (Coach) Tom Keer, Ahony Rolle, Jeremy Selwn, Rolando Mendez, Essy Lewis, Doug Lucchesi, Dana Ng, Richard Gee, Rico Reardon, Rae Skind, Jon Lowenstein, Manny Delaville, (Coach) Katherin Borgter.

In the beginning, the Boys Track team had no coach but after the first week, the coaches were there and it was time to get down to business. Our first meet against Cambridge and a victory would be needed to have a successful season. We lost to the reigning suburban champs in a hard fought meet.

Led by captains Andrew Gordon, Phil "the Danger" Moy, and Ben Crawford, the team won four of there last five meets to end 4-2. Some standout performers were Rolando "Poohey" Mendez, who jumped six feet six inches, Rico Reardon, who was strong on the 50 yard dash and the shotput, and Pete Wilson was impressive in the hurdles.

Antoine, who was naturally stretched, loved his fresh Addidas. Rae Siskind ran the 500 meter run, but the race was only 300 meters long. Many felt if we were to lose, we should lose in style. Becker always found the Pavilion too bright. And after the holding the title for three years, Ben Crawford was finally be thronged by Mark Carroll as the skinniest runner.

Gordon, Moy, and Crawford were the perfect examples of great captains. They each had a lot of talent which scored many points for the team and they were excellent motivators for the team. Everybody looked up to the three as the head of the team, and showed due respect. Gordon won the 600 each meet, Moy was important in the 50, and Crawford won the 2 mile or 1000, each meet. With Chris, Paul, Stewie, Antoine, Julio, the man of steele and a crop of other potential stars, the future looks bright.

BEST OF LUCK

CONGRATULATIONS JUNG LEE!
New England and State Champ

A great concern of Coach Puleo's this year was recruiting new wrestlers. Almost the entire varsity squad of last year graduated, s experience was something our team lacked Although we were low on moves, and spen hours drilling the basics the team had the drive to win. The extra push came from assistant Coach Bobby Matthews. He gave up the desire to win, and he would yell to us if there was a move we could execute.

Captains Mark "Chuckie" Santee an James Paik did an excellent job of pullin together a team of freshmen, sophomores juniors and seniors into a well-oiled wrestling machine. As for the wrestlers, we had severa outstanding competitors. The "Korean Connection" of Lee and Paik dominated the 12 lb. and 135 lb weight classes. Jung went undefeated this season, while Jimmy held close second with Mark Santee or "Captai Kangaroo" as affectionately called by Joh "Pappa" Puleo. Both captains together ha less than four or five losses. There was als Matt Burns a senior who filled the spot a team clown along with "Chuckie". If yo notice the name "Matt Burns" and think of rug burn it is pretty comical for a wrestler name.

Marching Band

Writer's and Company

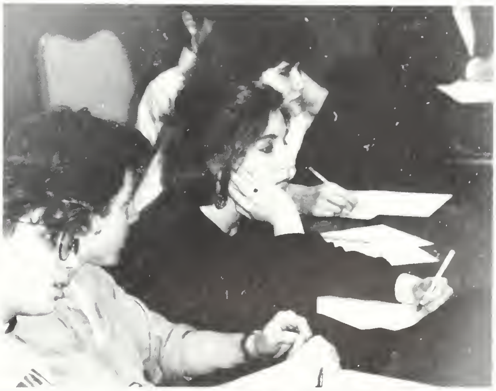
A B.H.S. literary magazine which is published three times a year. Each member of the staff has a hand in production, whether it be reading submissions, typing, Xeroxing, or collating.

Drama Society

The 1987-88 Drama year has been one of Shakespeare adaptations, our annual 13½ hour Dramathon and a beard for Iain. Dan Moore premiered his first workshop piece "Poisoning the Well", and Iain for the first time in four years did a scripted piece, "The Actor's Nightmare". Both productions were exceptional. A student production is going to the Emerson Festival, and Iain is doing a forty minute version of "Hamlet" to be competing at the High School Drama Festival. We wish both pieces good luck.

There are some people we would like to thank for their efforts this year: Iain Ryrie, Dan Moore, The Tech Crew, and the Executives; Jason, Amy, Anya, Marianne, and Steve.

Town Meeting



wn Meeting is the legislative branch of the school government. It is a
presentative body of students, teachers, administrators and staff who meet
ekly to discuss procedures and policy and to establish rules and re-
lations for general school operations. This year has been one of transition
d introspection as members evaluate the High School's unique democratic
stem and make recommendations for improvement in the overall school
mate.

HOW A COURSE IN HOME EC CAN HELP YOU PAY FOR COLLEGE.

No, not home economics. Brookline Savings Bank's Home Equity Loan.

It's a line of credit that lets you borrow as much as 80% of the equity in your owner-occupied house or condo, less the first mortgage — up to $100,000 or more.

Now it's easy to meet those big college bills. Using your line of credit is as simple as writing a check. And, under the new tax bill, it's tax deductible.

Because a Home Equity Loan is secured by the equity in your home, the rate is only 1 1/2 points above the prime rate published in the *Wall Street Journal*. And there are no fees!*

All my close friends.

They warned me that life changes
And that no one really knows
Whether time will make us strangers
Or whether time will make us grow
Even though the words of time may change
In a world where nothing stays the same
Through it all, our friendships will still remain

To Us;
It was the best of times,
and the best of times.
We partied, we skiied,
and we rolled a Jeep.
We were the Senior Steering Committee
and our prom was not cheap.
We wore cuffed Girbauds,
sold carnations,
and looked cool thru it all.
We played football on Sunday,
and boohed umps on bad calls.
We remember the Gordon's
Birthday Bash,
and Sanvilles party too.
We drank lots of beer,
'cuz we are the Beer Viking Crew.

From summer leagues to indoor leagues,
lax was really great,
but in 1987 such was not our fate (0-17).
From Steve, Tim, Dave, Andrew, Ben, John, Dennis, Phil, and Mike: Thanks B.H.S.!
To our parents and teachers who helped thru it all,
we just want to thank you 'cuz we had a ball.

This bridge will only take you halfway there
To those mysterious lands you long to see:
Through gypsy camps and swirling Arab fairs
And moonlit woods where unicorns run free.
So come and walk awhile with me and share
The twisting trails and wondrous worlds I've known.
But this bridge will only take you halfway there —
The last few steps you'll have to take alone.

Shel Silverstein
